Name(s) _____

The Super Slime Sight Word STEM Challenge

Can you create a quality batch of slime, add letters, and use it to find some sight words?

Characteristics of the slime we created:

List 3 words that describe the slime that you created.

#1	#2	#3

Can you find the following sight words using the letters in your slime?
Circle them when you find them.

Was	Here	Me
We	She	Are
They	Go	Is

Can you find 3 other words in your slime?

#1	#2	#3

Draw a picture that shows how you stretched out your slime.

Did the slime help you to learn some new words? (circle one)   YES   NO
